Who are the Members?

MVSHRM consists of over 229 individual members from various businesses throughout the Mohawk Valley including HR Directors, Recruiters, Benefit Administrators, HR Assistants, Trainers and more.

Approximately 73% of our members are national SHRM members and 29% of them are certified in one or more of the following: Professional in Human Resources (PHR), Senior Professional in Human Resources (SPHR), Global Professional in Human Resources (GPHR), SHRM Certified Professional (SHRM-CP) or SHRM Senior Certified Professional (SHRM-SCP). Our members influence the daily work issues such as recruitment, health benefits, payroll/compensation, and strategic planning for various companies.

Although the membership includes mostly HR professionals, it is also an ideal organization for businesses that do not employ a full time HR Professional but obviously need to perform HR functions as a part of doing business.
