CNY Veteran's Outreach Center is a non-profit organization founded "To enrich the veteran's quality of life by providing supportive comprehensive services to all Veterans in need so they may successfully integrate back into the society to which they served, consequently enhancing the surrounding communities. We will devote our time to assist Veterans and their Families in multifaceted ways through strong collaboration and dedication of the professionals involved so that growth will occur." CNYVOC was formed to provide and conduct charitable, educational, social service, and housing services for those in need. See their Facebook page at
