

Bio - Douglas Cronin:

During his 15+ year career in the employee benefits and retirement planning fields, Mr. Cronin has worked as a direct liaison between clients and vendors. He effectively manages client relations including administration, funding and claim issues. He also creates employee communication materials and conducts employee meetings. Mr. Cronin works with a variety of employee benefits including medical, dental, group life, long-term disability, short-term disability, NYS disability, retirement planning, Medicare Guidance and property/casualty.

Mr. Cronin received his Bachelor of Arts in Business Administration from Roanoke College in Virginia and currently holds Life, Accident, & Health and Property & Casualty licenses, as well as Series 6 and 63 licenses. He is currently a Downtown Syracuse YMCA board member, formerly overseeing the board as chair.
